

Tri-Valley CAREs (Communities Against a Radioactive Environment) will have an informative, interactive booth with activities for kids at the Cinco de Mayo Family Fiesta at Weber Point in Stockton on Sunday, May 5 from 10 AM to 6 PM. See the flyer below for details. If you are attending the festival, we invite you stop by our kiosk and say **“hello.”**

We will have literature - and maps - in English and Spanish about nuclear pollution from nearby facilities, like “Site 300,” that has affected our air, land and water.

We will also share inspiring stories of how people have taken action – and have won impressive victories to protect our health and environment.

Stop by and meet Raiza Marciscano-Bettis, our new bilingual community organizer and other staff and local members.

There will be free **crafts and activities** for children.

A vibrant flyer for the Cinco de Mayo Family Fiesta 2019. At the top, a red banner features the El Concilio logo and the text 'EL CONCILIO BUILDING STRONGER COMMUNITIES TOGETHER'. The central graphic is a collage of Mexican-themed items: a sombrero, maracas, a guitar, a bowl of chili, a taco, an avocado, and a margarita. The text 'CINCO DE MAYO' is written in large, colorful letters, with 'DE' in a circular seal. Below it, 'FAMILY FIESTA 2019' is written in red. The bottom section is a red banner with white text: 'WEBER POINT, STOCKTON | 10AM - 6PM'. Below that, a green box contains 'SUNDAY MAY 5, 2019'. To the right, a red box says '\$5 ADMISSION GRATIS / FREE 12 & UNDER'. At the bottom, a green box lists activities: 'food, drinks, games, fun for kids, dancing, artisan crafts & goods, live music, contests, health screenings'. The website 'www.elconcilio.org/events/cinco-de-mayo' is at the very bottom.
