Dear members and friends: Please help us celebrate the life of Janis Kate Turner, one of our members since 1985, and a unique, joyous, and inspirational light and mentor for all of us during the decades since. With positive presence, authenticity, knowledge and compassionate power, Janis always acted to move her community and the world forward - toward a more socially just, environmentally sane and peaceful future.

We invite you to grieve Janis' passing and to offer your blessings for her journey in the manner that is most appropriate for you. Janis, you will be missed. You are loved. Janis, presente!

And, dear members, we have too few photos. If you have any that you don’t see on our website, please send a copy to us at marylia@earthlink.net or 4049 First Street, Suite 139A, Livermore, CA 94551. Thank you!
