

TRUMP'S NEW WARHEADS and his willingness to deploy them

**Saturday
August 25, 2018
2:00 pm**

**Monterey Peace and Justice Center
1364 Fremont Boulevard, Seaside, CA**

**Suggested donation \$5
All are welcome.**

No one will be turned away.

Speaker Marylia Kelley will discuss:

- The President's fiscal 2019 budget request for nuclear weapons modernization
- The role of the Livermore Lab in weapons development
- Stories about monitoring the facility
- Environmental and health impacts since the early 1980s
- Public involvement strategies
- Victories locally, statewide, nationally and globally
- Status of the Treaty on the Prohibition of Nuclear Weapons

Lively Q&A and discussion will follow.

MARYLIA KELLEY is Executive Director of Tri-Valley CAREs, a “watchdog” organization located in Livermore, CA, home of Livermore Lab, where U.S. warheads are designed and stockpiled. She brings 35 years of in-depth research, writing and facilitating public participation in decisions regarding U.S. nuclear weapons, their humanitarian impacts and the imperative for their global abolition.
