Dear supporter,

As you know, Tri-Valley CAREs builds a strong grassroots movement locally and impacts nuclear weapons policy nationally. **Your gift today will help us accomplish both!**

Further, I am happy to tell you that one of our supporters has offered to **match your donation** to Tri-Valley CAREs right now, dollar for dollar, up to \$10,000.

Your tax-deductible gift of \$1,000 today will be worth \$2,000. Your \$500 contribution will double to \$1,000. And, \$50 will be turned into \$100. This is a spring challenge from friends at the California Consumer Protection Foundation who admire Tri-Valley CAREs' programs to mobilize and protect the public from nuclear pollution.

Tri-Valley CAREs has a history of reaching goals! We have stopped incinerators, improved cleanup of toxic contamination and prevented weapons designers from creating new nuclear bombs. With your financial help now, we will reach this goal and **win the \$10,000 matching gift.**

May I count on you?

As I write this letter, your Tri-Valley CAREs team is hard at work getting ready for an amazingly effective event called "**DC Days.**" This is something that we do annually with the Alliance for Nuclear Accountability. Indeed, this will be our 30th consecutive DC Days and two Tri-Valley CAREs staffers serve on the national organizing committee.

We will bring powerful local voices, including youth, to our nation's capital for 100 pre-scheduled meetings with decision-makers. We will share with Congress our compelling stories of radiation exposure and environmental degradation.

We will oppose funding for risky weapons activities at Livermore Lab, like detonating toxic bomb blasts in the open air. We will challenge the Trump Administration's new warheads and the increased willingness to use them outlined in the Nuclear Posture Review. **Will you contribute to defray the necessary costs?**

I can assure you that Tri-Valley CAREs will always hold the government's feet to the fire and create positive social and political change. In doing this work, we champion values of peace, justice and the environment that I know you, likewise, deeply cherish.

I am asking for your gift in any amount (*now doubled!*) to help us succeed. **Thank you for everything that you do.**

Peace,

A handwritten signature in cursive script that reads "Marylia Kelley".

P.S. **Please mail your tax-deductible gift.** Or, go to www.trivalleycares.org where we have a secure option to use your credit card through either *PayPal* or *Network for Good*. **MANY THANKS!**
